Novotel Pacific Bay Coffs Harbour renew support for 2010 Coffs Coast rally.

With what is great news for the Coffs Harbour and District Sporting car club, the Pacific Bay Resort Coffs Harbour have been confirmed the OFFICIAL ACCOMODATION PROVIDER for the 2010 Coffs Coast Rally, Round 3 of the Australian rally Championship.

“Pac Bay” resort manager Dene Zhaner cites the success of the 2008 event, and the positive impact on the local community as the main reasons for renewing their commitment.

Event manager Martin Quinn is more than happy to have “Pac Bay” along as an event partner again.

“We started dealing with Pac bay in 2007 with the running of the state round that became the ARC in 2008. Dene and his staff were incredibly helpful and assisted us in providing an unforgettable venue for the end of year ARC presentation. It is with great pleasure that I can now confirm Pac Bay’s involvement again in providing our competitors and volunteers accommodation, food and beverage packages with substantial discounts exclusive to the Coffs Coast Rally”

The resort will act as the official accommodation and function centre for the event including the presentation dinner on the Sunday evening.

Final details of accommodation rates and booking details will be confirmed in mid January.
