Time: 2300hrs

Subject: BULLETIN NO: 5

Approved By: CAMS/Clerk of Course

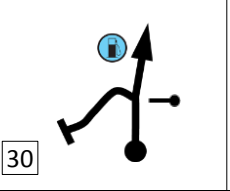

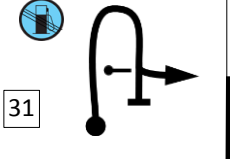

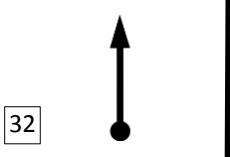

From: The Clerk of the Course

To: All APRC/ARC/VRC competitors / crew members  
 Number of pages: 3 Attachments: 1

The location of the Remote Refuel has been relocated to Raglan-Elmhurst Road, just prior to the Lonarch Stage. The following changes are being made to the Road book.

1. Road Book

a) Page 43, from Tulip 30, instructions change to

31,40	6,53		  Mt Lonarch Rd SO into Optional Refuel, if fuel not required, THL off Bitumen, and go to Tulip 32	0,20
31,50	0,10		  Mt Lonarch Rd TVHR and then TR off Bitumen	0,10
31,60	0,10		Time Control (50m to Start Line)	0,00

a) New Time Allowed from TC 4/8 to TC 5/9 of **40 min**

b) Page 50, Tulip 23 changes to **Giveaway, TL onto Bitumen and go from Tulip 27**

c) New Time Allowed from TC 5/9 to TC 6/10 of **26min**

Attachment 1 contains the revised Remote Refuel Map and Instructions for Service Crews which replaces Appendix IV of the Rally Guide

Andrew Roseman  
 Clerk of Course

## Attachment 1 Remote Refuel Zone Travel instructions and Maps

The following instructions can be used to travel to Raglan and return to the Service Park. The instructions commence from the Competitor Out Control at the Service Park. At all intersections proceed straight on or follow the main road unless these instructions advise otherwise.

### Odometer Instruction

- 0.0 TL out of Service Park onto Lawrence Street C172
- 0.21 TL Albert Street
- 0.61 TR King Street (becomes Main Lead Road)
- 7.61 SO and FMR (SP Amphitheatre)
- 21.11 Make U-turn at Mt. Lonarch Road into Refuel Zone, **Caution oncoming Rally Traffic.**  
Park along road side as directed by refuel marshal.

### Return to Service Park

- 0.0 SO out of Remote Refuel Zone onto Bitumen. **Caution Spectator Traffic**
- 13.4 SO and FMR (SP Amphitheatre)
- 20.4 TL Albert Street
- 20.8 TR Lawrence Street C172
- 20.89 TR Pratt Street
- 21.11 SO into Service Park

**Please note that the road side refuel is in close vicinity to private pine plantations.  
Please take care to ensure there are no fuel spills.**
