“Wheels on Mary”

The Gympie Regional Council are planning a public activity in Mary Street (Gympie’s main street) on Friday 21 May in lieu of the Corporate Welcome to Competitors mentioned in the Supplementary Regulations. Further details will be included in a subsequent Bulletin. Competing cars will be required to be on display between 1800hrs and 2000hrs, whilst competing crews will be required to be in attendance in driving suits or team apparel between 1830hrs and 1930hrs.

For QRC competitors.

Please see **amended Itinerary** (below) for QRC competitors showing a total special stage distance of 109.03kms to comply with Regulation 3.7 of the 2021 Motorsport Australia Queensland Rally Championship Sporting Regulations.

Please note that the numbering of the last two Special Stages does not follow numerically the previous six. This has been done deliberately so the numbering of the Special Stages for Heat 2 follows directly on from the first six Special Stages of Heat 1.

The following conditions will apply;

- **For QRC (only) competitors.**

The End of Event Control will be TC14A where Officials will direct competitors to the end of event Parc Fermé. The Podium Finish and presentation of Provisional Awards will take place at approximately 1930hrs adjacent to the Parc Fermé area.

- **For QRC competitors who have also entered the ARC**

After entering Control TC14A competitors will follow the ARC Itinerary. Any crew who completes the first six ARC special stages will be eligible for ARC points pursuant to Regulation 21.1(i) of the ARC Sporting and Technical Regulations.
