## **Further Regulations 2**

**Event:** 2022 Shannons Rally Launceston  
**Date of event:** 24 - 26 June 2022  
**Permit No:** 822/2606/01  
**Date:** 10 June 2022

### **Changes to the Supplementary Regulations are as follows:**

#### **No Wheel Spin Policy**

There will be a no wheel spin policy in operation at the 2022 Shannons Rally Launceston. This means excessive wheel spin will not be permitted at special stage starts so as to prevent damage to the road surface.

There is to be no wheel spin between the start line and the control boundary as marked by the end of control board.

No wheel spin is generally accepted as:

All attempts must be made by the competitor to ensure no wheel spin. It is understood that some vehicles will not be able to take off without minor wheel spin, such as that experienced by front wheel drive cars on an uphill section. The ejection of rocks from the driven wheels with no attempt by the driver to discontinue will be considered excessive.

Penalties will be applied as follows:

1<sup>st</sup> Offence: 1 minute penalty added to the actual stage time

2<sup>nd</sup> Offence: 2 minute penalty added to the actual stage time

3<sup>rd</sup> Offence: Referred to the Stewards, the penalty for which may be as high as disqualification from the event.

Any Control Official located at the Start Control are judges of fact regarding the determination of excessive wheel spin. Video footage can be used to determine excessive wheel spin.

#### **Entries for TRC event are extended**

Entries for the TRC event of the event are being extended till Friday June 17th at 1700 hrs. Entries for the ARC event still close on Friday 10th June at 2200hrs.

#### **Scrutiny – TRC**

#### **The following is a change to Article 9 Scrutiny of the Supplementary Regulations**

TRC Crews are to present a fully completed “Self-Scrutiny Statement of Vehicle Compliance” and “Self-Scrutiny Checklist” to the event secretary prior to the event. Regional Scrutiny will not be required for TRC crews for this event.

TRC Crews who wish to have an inspection prior to the event may contact the Chief Scrutineer for assistance. (*Chief Scrutineer Scott McGrath 0488 066 236*)

There will be Turbo sealing and vehicle weighing for all TRC crews on Friday 24th June in the service park between 1200hrs and 1600hrs, a member of the service crew may present the vehicle for inspection. A full schedule will be issued prior to the event.
