Hello from sunny Queensland.

At present, I can advise that it IS a perfect sunny day here in Gympie and a balmy 21 degrees.

However, we're also aware that the weather prediction for Thursday and Friday is for possible rain showers. If these occur, we do not anticipate they will greatly affect the running of the event.

Please be assured the ABRQ team is continuing to plan for all activities as scheduled, with wet weather contingencies in place if required.

We look forward to welcoming you to the Event.

Brian Everitt

Clerk of the Course
