1. ALL CREWS - RSLITE

A reminder to all crews undertaking reconnaissance on Friday 22 July 2022 that the RSLITE app must be active and working on a phone in the recce vehicle for all stages during reconnaissance.

A reminder also, that the maximum recce speed on all stages is 60km/Hr.

2. ALL CREWS – LOCK & LOAD TRANSPORT RALLY VILLAGE ENTRY & EXIT GATES

Please Note:

- Prior to competition on Saturday 23 July, all rally traffic is requested to enter/exit the Lock & Load Transport Rally Village via the Exhibition Rd gates (refer map next page).
- During competition on Saturday and Sunday, rally cars and Official vehicles only are permitted to use the “Pavilion” gates. Service vehicles are to continue using the Exhibition Rd gates to exit/enter.

3. REMINDER

As part of our Agreement to use the Gympie Showgrounds, there is a stipulation that no vehicle is permitted to cross the horse training track at any point surrounding the Service Park between 4am and 9am on the mornings of Thursday 21, Friday 22, and between 4am and 8am on Saturday 23 July. Horses will be exercising during these times. Please, ensure you remember and comply with this requirement as there will be absolutely no excuses or exemptions.

This means that any vehicles and/or equipment required prior to 9am for Recce on Friday and prior to 8am on Saturday must be placed in the overnight Car Park area outside the training track ring and adjacent to the Basketball court (refer map below):

To facilitate pedestrian access, there will be a controlled pedestrian crossing in operation between the Service Park and the Overnight Car Park area using the “Pavilion” gate from 6am to 9am on Friday, and from 6am to 8am on Saturday. This crossing is for pedestrian access only during these times.

The Main Entry gates to the Overnight Car Park area will be open at all hours. Horse Training gates will be closed at 10pm nightly and will re-open at 9am (Friday) and 8am (Saturday).
