ALL CREWS

There has been a postponement of reconnaissance of the southern stages (i.e. Kandanga, Amamoor and Muster). This action was taken following a request from HQPlantations and advice that the rain received in that area this morning may cause several causeways to become inundated and too deep to cross safely.

We are in regular contact with HQP and are hoping that the causeways will be passable later today. A further update will be provided at 1200hrs today.
