Article 1. Introduction / Welcome

Welcome to the Ultimate Motorsport Events Adelaide Hills Rally

This year we are excited to have the Rally based out of The Bend Motorsport Park. The Rally will be part of The Bend Motorsport Park Motorsport Festival where we will be sharing the complex with the Shannons Motorsport Australia National Championships and The Bend Classic.

This year we are the Australian qualifying round for the Asia Pacific Rally Championship finale which is to be held later this year in Coffs Harbour. The top 3 qualifiers from the results in this year's UME Adelaide Hills Rally will receive automatic qualification into the APRC finale to represent Australia. There will be some additional wild cards to be chosen by Motorsport Australia after the event. ***For those entering the APRC, there will be a separate FIA APRC set of Supplementary Regulations.***

We are round 6 of the RSEA Australian Rally Championship and welcome an ever-increasing number of competitors competing in this prestigious championship from around Australia and New Zealand. We hope you enjoy the beautiful Adelaide Hills and Murraylands Region and spent some time sampling what the area has to offer.

We also welcome back the South Australian Rally Championship competitors that supported us so well last event in large numbers to keep the event happening during COVID. It will be the last round of the South Australia Rally Championship and we look forward to crowning the South Australian Champion at events end.

Recce for this event will be held on Thursday for The Bend Stages and Friday for the Council Stages.

Friday afternoon see's the start of ARC and SARC competition with 2 tarmac stages being run around the long GT Track with some additional obstacles to reduce speeds, before service and then a repeat of the same stages in the dark.

The SA Regularity Competition starts on the Saturday and follows the ARC and SARC field around, doing one pass of the council stages before returning to The Bend Motorsport Park to complete The Bend Super Special Stages.

Saturday sees the ARC and SARC competitors for a day that is mainly spent out on the council roads with 7 Special Stages before we head back to The Bend Motorsport Park for our Super Special Stage's. This will be a side-by-side Super Special Stage's based on the mixed surface of the Stadium track. Lights will be necessary as we go from late afternoon to night as competitors fight it out for overnight honours going into Sunday.

The SA Clubman Series competitors join the ARC and SARC Crews on Sunday in what can only be described as mega learning experience for them as they compete at the tail of the ARC and SARC fields in front of thousands of spectators at The Bend Motorsport Park. With servicing also at The Bend Motorsport Park it makes it easier for novice or experienced crews with no service team to compete within the complex without needing to leave.

After a re-seed, the ARC and SARC crews will spend all of Sunday at The Bend Motorsport Park competing on 4 different stages. One is a full gravel stage, the second is half gravel and half the eastern side of the main circuit and the third is on the Stadium Circuit. The final stage will be the Power Stage that will start on Gravel before entering the main circuit and finishing in front of the pit buildings and being streamed live on 7 Plus. The SA Clubman Series competitors join the ARC and SARC Crews on Sunday in what can only be described as mega learning experience for them as they compete at the tail of the ARC and SARC fields in front of thousands of spectators at The Bend Motorsport Park.

Once presentations are completed, we invite you to head across the car park from the Service Park to Rydges Pit Lane Hotel for the after party to share your stories with other competitors and officials.

With the ever-changing advice on COVID 19, we will endeavour to keep competitors and officials up to date with the current restriction closer to the event through Bulletins and Communicates.

Article 12. Reconnaissance

A two-pass reconnaissance for all competitors has been scheduled for Thursday 20th and Friday 21st October.

All competitors taking part in reconnaissance must register at the Rally Secretariate to get all the necessary documentation before starting their reconnaissance.

Vehicles used for reconnaissance must comply with Articles 35.1 and 35.2 of the 2022 FIA Regional Rally Sporting Regulations. Supplementary Regulations will include further details.

The Reconnaissance Schedule will be included in Rally Guide 2 and published in a Bulletin.

Competitors are reminded that all roads will be open to the public during reconnaissance and so must observe all applicable road rules and, at all times, be aware of oncoming traffic.

Article 13. Scrutineering, Sealing & Marking

For all Asia-Pacific Rally Championship competitors the timetable for scrutineering will be issued in a bulletin after the close of entries. All Australian Rally Championship competitors will have Turbo Sealing and Weighing of Vehicles on Thursday 21st October from 1330hrs to 1700hrs at The Bend Motorsport Park.

Article 14. Media Rides

The APRC and ARC Media Rides will take place on Thursday 20th October 2022 from 1200hrs- 1300hrs. Further information will be available in the Supplementary Regulations.

All Asia-Pacific Rally Championship-registered Competitors and selected other Competitors will be required to attend.

All competitors at the Media Rides must have all livery, numbers and signage in place on their vehicles and must have completed pre-event scrutiny.

Article 15. Start Procedure

Ceremonial Start activities will be held on Thursday 19th October 2022 at the Bridgeport Hotel, East Terrance Murray Bridge 1730hrs.

The Rally Start will be on the evening of Friday 20th October 2022 at TC0 which will be located within The Bend Motorsport Park. A map showing the location of this control will be provided in the road book.

Article 16. Finish Procedure

The Rally will finish in the afternoon of Sunday 23rd October 2022 at the Service Park.

Article 17. Public Relations Activities

All Asia-Pacific Rally Championship Entrants and Australian Rally Championship Entrants and other selected competitors may be asked to participate in Public Relations and Media and will be advised.

Article 18. Media

Media Manager: Paul Riordan
